PARISH MISSION STATEMENT:

Located in the heart of the City of Lansing, the Church of the Resurrection exists to help everyone in our parish family live in the light and hope of the Resurrection. Encouraged by our experience of God's love, we help others come to know and love Jesus in a personal way. Guided by God's truth, we offer answers to life's real challenges. Inspired by the Holy Spirit, we help each other become mature disciples of Christ who will utilize our gifts to spread the Good News of Jesus in word and deed.

A MESSAGE FROM FR. STEVE

Parish-Wide Ceili Dance (March 7)

Saturday evening (March 7), we will have a parish-wide evening of dancing. It will be a potluck. All the parishioners are invited to attend. It is a potluck, and doors open at 6, and dinner will begin at 6:15. We'll eat and then have a dance demonstration by McCartney Irish Dance. Then we will all have a chance to learn simple Irish Ceili Dances, with easy-to-follow instructions by Meghan of McCartney Irish Dance. No need to RSVP.

Mass Wednesday, March 11th

I will be away Monday through Wednesday, but will be back in time for an 11:00 a.m. Mass for lay ministers who are gathering for a meeting in our parish hall. I have not yet been able to ensure coverage for our Wednesday morning 8:15 a.m. Mass, but will continue to try to get coverage for that Mass. I will be announcing whether we will have the 8:15 a.m. Mass this weekend at Masses. In any case, parishioners are welcome to attend the 11:00 a.m. Mass.

Fun Fundraiser for the Shamrock Club

Next Saturday night (3/14), you are all invited to take part in the Fifth Annual Bean Bag Toss Tournament, a fundraiser put on by our Resurrection Shamrock Club, which supports the athletic program here. Join us. It's a great evening of food, fellowship, and fun. Registration is from 5:00-6:00 p.m., and the tournament will begin at 6:00 p.m. The tournament has both child & adult divisions. It's a great evening.

DSA 2020

"Happy the one who trusts in the Lord." This scripture text from the Book of Proverbs affirms a fundamental teaching of the Catholic Church – only in God will we find the truth and happiness that we seek, the happiness that we were made for. DSA contributions are put to work, right away, in a multitude of ministries and spiritual activities to offer direct assistance to individuals and families, to our parishes and schools. This weekend all parishes in the diocese will conduct Commitment Weekend for our Diocesan Services Appeal. Our parish goal this year is \$87,587. Please prayerfully consider how you or your family will respond to this call to carry on Christ's work in our community.

Singing the Pater Noster at Mass

As I mentioned last weekend, throughout Lent, we will be singing the Pater Noster, which is the Latin Our Father. We will practice this before Mass this weekend. It is wonderful to be able to pray together in Latin. At the Wednesday Audience and the Sunday Angelus in Rome, that is how the pope leads those gathered to pray the prayer that Jesus taught us. The music for the chanted version of the Pater Noster can be found on page 86 of the St. Michael Hymnal. As I mentioned last weekend, as well, in order to minimize the spreading of germs (whether coronavirus or other germs), we will not be exchanging the sign of peace until further notice. I am likely to eliminate the holy water fonts as well, just to be on the safe side, in terms of germ transmission. Let's pray for all those, especially where the virus is causing tremendous disruption, that the Lord would protect and heal, and bring all citizens of the world to repentance.

Men's Evening of Adoration

The Men's monthly evening of adoration will be this Friday, March 13th at 7:00. It is a time of prayer before the Blessed Sacrament. Opportunity for confession is also available. We will conclude with Benediction at 8:00, followed by a time of fellowship. Join us if you're able, brothers!

School Interest Survey for Parish and Community Members

As school enrollment continues to grow, we are happily faced with the challenge of figuring out how best to meet the needs of families in our parish and community for the schooling of their children. In order to wisely contemplate future growth, we would like to get more information from the families in our parish and community about potential (or real) desire to partner with us for the education of their children. One thing that has motivated us to send out this survey is the fact that some parish families have asked us whether we would ever consider offering, in addition to our full-time program, a part-time program for families who are currently (or are planning on) home-schooling. We are in the beginning stages of exploring that possibility.

Details of what it would look like remain to be determined, such as the particular days of the week we would offer different grades, what exactly the curriculum would comprise, and, of course, the cost.

At this point, we are wanting to gauge existing and future potential interest in the views of current school families, parish families who are home-schooling or using public schools, and families in the broader community who might be interested in partnering with us for the education of their children.

We invite all families with school-age children (or younger) to complete this survey. The results will help us determine the potential interest families at our parish and in the greater Lansing area might have for partnering with our school in coming years.

Please note that we are committed to retaining our full-time program, which will continue to run 8:00-3:00 PM, Monday - Friday, as currently configured. A potential part-time program would run 8:00-3:00 PM schedule two days a week, with supplemental lessons completed at home under the direction of parents or family members.

Costs for this potential part-time program would naturally be lower than full-time tuition, but for logistical reasons we are not yet able to say for certain how much that would be. Based on the response from the survey, we will have a better sense of future needs, and will then be able to develop a tuition structure.

If you would, please complete the survey by Sunday, March 15th. Please also feel free to let other families know about this survey who are not members of our parish but might be interested in either part-time or full-time schooling in coming years.

With gratitude for the gift of our parish and school,

Fr. Steve

- To inspire Christian communities to greater integrity and authenticity in creating unfailingly safe environments for children.

All Families Welcome!!!!!!

As school enrollment continues to grow, we are faced with the difficult question of how do we fit so many students on our campus and what type of support is God calling us to provide to our families. We are asking all school and homeschool families to complete this survey, even if your children are not school age yet. The data will be used to determine how much interest families would have in both full-time and part-time schedules within the school.

- Full-time would be the traditional 8:00-3:00 PM schedule, Monday - Friday.
- Part-time would be 8:00-3:00 PM schedule, two days a week, with supplemental lessons completed at home.

The survey will be in Fr. Steve’s weekly email. Please look for the survey link and complete it by Sunday, March 15th.

Holiness and Wholeness

The talks in this course explain how to address these difficulties, how to find relief from the distress they cause and how to find healing and grow into wholeness, holiness and, ultimately, sainthood.

This course will take place on Thursday nights from 7-8:30pm with fellowship afterwards.

We will not be able to offer childcare for these sessions.
