

CENTENNIAL SPONSORSHIP PROSPECTUS

Celebrating 100 Years of Faith, Family & Learning

1926 — 2026

Join Us in Celebrating a Century

For 100 years, Resurrection School has shaped generations of students through faith, academic excellence and community. As we celebrate this milestone, we honor the families, students, alumni and friends who built that legacy—and look ahead to the generations who will carry it forward.

We invite you to join a community of supporters committed to seeing Resurrection flourish for generations to come. Your partnership will not only support our Centennial celebrations but also make you a founding supporter of the **Centennial Legacy Fund**, an endowment created to help secure Resurrection School's future and ensure it continues transforming the lives of students for the next 100 years and beyond.
