Hello Parents!

Blessings and peace! We had another grace-filled week celebrating St. Patrick's Day and being blessed with priests to hear confessions. (We also had the special grace of having Bishop Monforton here with us to hear confessions!) I am always grateful for our priests and the ways they minister to our school community. God's mercy is such a beautiful gift especially in Lent!

There's only a few items to note for this upcoming week:

- **Middle of the Year Star Parent Reports:** are in the process of being sent home by teachers and should be home by Friday, March 27.
- **Report Cards, Friday, March 27 at 3:00pm:** Will be available through your FACTS Family Portal for the 3rd quarter. It's hard to believe we are heading into the final quarter of the school year!

Msgr. Todd has an update for you below about the statues of the Restructuring Process for our Archdiocese. Please keep the process in your prayers. Change is never easy and even more so when it impacts communities. Along with that, we have had two Archdiocesan schools announce that they will be closing next year, St. Valentine's in Redford and St. Linus in Dearborn Heights. Let's remember to keep those communities in our prayers in a particular way in the ensuing months. May Jesus bring them consolation and hope for the future.

Have a beautiful weekend. May Jesus be your peace!

In the heart of Mary!
Karen

A MESSAGE FROM

MSGR. TODD

Dear parents,

I wanted to update you on the restructuring process for the Archdiocese. The priests of the AOD gathered for three days in January to begin drafting various models of how parishes might be aligned with each other. In the process, the Archbishop asked that we consider 'pastorates' as the governance model for organizing the parishes. A 'pastorate' could be one, stand-alone parish community or it could also be a grouping of parishes together. In each case, however, there will be one, single pastor assigned to each 'pastorate' and the other priests who serve with him will be associates.

After the priests completed their work of developing models, further refinement took place when we all met again on March 2nd. During that review, the priests offered additional observations and recommendations about the models. And then just this past week on Monday, our Parish Point of Contact and Key Parish Leaders met with members of the Archdiocesan Planning Committee and Catholic Leadership Institute to engage in a review. That meeting focussed just on our specific planning area, which is called Planning Area Seven (7). Our planning area consists of the parishes in Plymouth, Canton, Northville, Livonia, and Redford.

During the next few weeks all of the Key Parish Leaders from parishes throughout the AOD will have meetings for each planning area to do the same type of review that we did. That process will be completed on March 27. The next step in the process will be for each parish in the AOD to have two Listening Sessions. I will have much more information about the character of the Listening Sessions in future articles and communications, but for the moment I want to mark your calendars for the dates assigned for us. **Our Listening Sessions will be on Tuesday, June 2 and Thursday, June 4, from 7:00 pm to 9:00 pm.** These sessions will be a chance to review the proposals for the "pastorates" of our planning area and give feedback.

to review the proposals for the parishes of our planning area and give feedback.

As I note, much more information will be forthcoming about the Listening Sessions, but I wanted to keep everyone up to date on what will happen here at OLG. If you are interested in more information about the restructuring, you can go to the [Archdiocesan website](#). I urge all of us to pray each day for the guidance of the Holy Spirit and that the process will bear much fruit.

In His Peace, Msgr. Todd
