*"God, our Father, you are the guardian and guide of our lives. Your word is joy, your will is life, your commands bring peace. Watch over the guide us as you did your Son's earthly family. Through the celebration of this feast help us to respond to your word and will, that we may grow together as people of faith and enjoy the peace of your kingdom."*

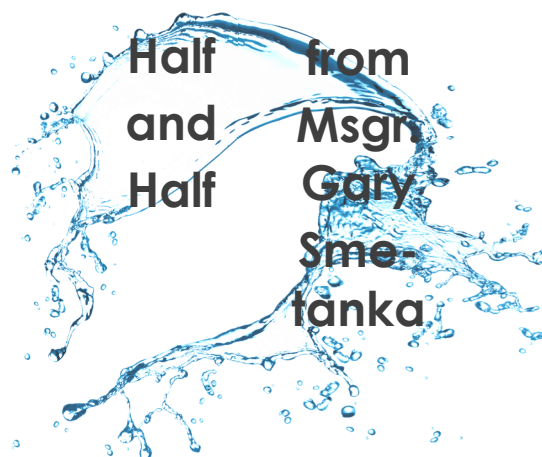

Christmas Blessings to you and yours!

The Christmas season is finally upon us and hopefully some of the rush is over. This is also a time for families to hopefully have the time to spend together and strengthen their bonds. I think many families are quite lucky to have additional time off between Christmas and New Year's Day to rest, to play in the snow, to read, to watch movies, to visit friends, etc. Some of our visits might also bring some tears as we tell stories and remember family and friends who have gone to their glory.

As we celebrate this feast of the Holy Family, let us remember to take the time to pray to them for our guidance and inspiration. We often find ourselves in many situations that bring difficult decisions to make. Our prayers to the Holy Family can greatly assist us in our lives. Especially in our world today when there might be an increase of fear in all walks of life, we can use their help! Let's not underestimate the power of our prayer. Mary, Joseph and Jesus certainly had times of anxiety and shared some of the same frustrations as we share today. Just as Christ's presence brought joy to Mary and Joseph, may we find that some peace and joy in our own family this Christmas season and beyond.

Our Holy Father, Pope Francis has said that Christmas is a time to encounter Jesus. "Christmas is an encounter between God and His people." It is also a mystery of consolation. Christmas speaks to us about tenderness and hope. Let us continue to seek out and be open for all the ways in which we can encounter Christ: in our prayers, our liturgies, our sacraments, and in our families. And the opportunity for us to be that instrument of God encountering His people!

\*\* Be safe this New Year's Eve - watch out for the intoxicated drivers out on the road.

We have to watch out for them since they probably don't watch out for us! Remember Masses for the **Holyday of Obligation** are 4 pm on New Year's Eve and then 9:30 am on New Year's Day. New Year's Day is the Solemnity of Mary, Holy Mother of God.

\*\* Many, many thanks to all of you who offered Christmas greetings, blessing, prayers, cookies, or other gifts. Your kindness and thoughtfulness is always very much appreciated. Please know that all of you are a very special family! I am very happy and proud to be a part of it. You are certainly in my thoughts, prayers and the Masses I celebrate.

\*\* During the Christmas season we always find individuals and families who return to Our Lady Star of the Sea. To all of you – Welcome! Know you are welcome and, if you come often, why not consider joining the family!?? If you have questions please contact us by phone, email or personally after Mass.

\*\* Are not our church and grounds beautiful? Many thanks to those who took the many hours to put the lights on the trees, put up the nativity set, and to decorate the church. We certainly appreciate all that you did!!

\*\* End and begin the year in peace, joy and good wishes. See you in church!

# FORMING OUR FAITH

## Spirit & Life and Christmas

Our Spirit & Life (7th and 8th grade) Confirmation Preparation students spent their last session in December learning and discussing the two ways that the Word of God is revealed to us; through the creation of the world and in the person of Jesus, when the Word became flesh. We discussed what the Incarnation is and why it is important to us today. That through the Incarnation, Jesus gave us back our identity so we can live in God's image once again. We remembered that the joy of Christmas is not for a day or season. It is an eternal joy that no one can take from us because it is the joy of Jesus Christ himself made present in our hearts through the Holy Spirit who dwells within us. We meditated on the First Nativity. We experienced being right there with Joseph, Mary, and Jesus. In small groups, the students also looked at Traditional Christmas Carols and how they come directly from the Gospels.

We ended our session with Music and Cookies.

Each small group sang one verse from a Traditional Christmas Carol to "earn" their Christmas Cookies!

### LITTLE SAILORS CHILD CARE

Little Sailors Childcare is held every Sunday during the 9:30 am Mass in room 29 of the school. This program is intended for children aged 12 months to 3 years. Our youngest parishioners can play and be cared for while you can fully participate at Mass.

## go and make disciples

"Today we celebrate the feast of The Holy Family. It comes on the first Sunday following Christmas, when a lot of people have started to overdose on family. Some, in fact, after the parties and cooking and visiting and obligations have had about as much "family" as they can take.

This feast challenges us to look at what it means to be family. A lot has been written and will be written about the importance of family in society. But let's talk about our bigger family.

The Catholic Church is a family; in fact, the Catholic Church is one big family. We are all adopted sons and daughters of God and we all have the same God as Father. This means we are all brothers and sisters in Christ!

Today there are those who believe but don't want church, those who want God but want to be His only child. Can you define a Catholic without mentioning the Church? No.

The church is not a place. It's a people—God's people in Christ. It's the body of Christ. This is one of the many beauties of being Catholics. We all have a family of

faith. Our home is in the Catholic Church. The Catholic Church is universal and covers the entire world. We have brothers and sisters everywhere! Church is a safe place to come to share in joy, sorrow and doubt, to draw strength from each other, to make sense out of our lives, and to receive the grace of the sacraments to help make us better people.

Families should be a place of life, love, community as well as a place to grow in holiness. But we know that in reality families often fail.

Members of the Catholic Church aren't perfect either, but through grace and the sacraments we can strive to be the best we can be here on earth. We need the Church as our family, with all its faults and failures. We know how the ideal family should function, but we also know that no family is perfect and without human weakness.

Let's do our best to love and be an example of Christ to those in our families, both domestic and the Church.
